## Specification Sheet

|                          |                            |
|--------------------------|----------------------------|
| Product Name:            | <b>6201 Pink diatomite</b> |
| Specifications & Purity: | 80-100mesh                 |
| SKU #                    | <b>S116954</b>             |

| Parameter              | Limit Values                               |
|------------------------|--------------------------------------------|
| Specific Surface Area  | 4-5                                        |
| Particle size          | 80-100 (mesh)                              |
| bulk density           | 0.4-0.55 (g/ml)                            |
| Effective plate number | ≥800                                       |
| Appearance (S116954)   | Pink to Red Powder, Granules and/or Chunks |
