

## Specification Sheet

|                          |                                                            |
|--------------------------|------------------------------------------------------------|
| Product Name:            | <b>Sodium 3-(benzothiazol-2-ylthio)-1-propanesulfonate</b> |
| Specifications & Purity: | technical, ≥90%                                            |
| SKU #                    | <b>S121969</b>                                             |

| Parameter                   | Limit Values          |
|-----------------------------|-----------------------|
| Purity(NonaqueousTitration) | 89.5-110.5 (%)        |
| Infrared spectrum           | Conforms to Structure |
| NMR spectrum                | Conforms to Structure |
