|-----------------|-----------------------------------------------------------------------|----------------|---------|
| PRODUCT NAME    | Silanized glass microsphere support                                   | PRODUCT NUMBER | S123754 |
| Grades & Purity | 60-80 mesh for polar, high boiling point, biochemical sample analysis | VERSION        | 3       |

## ACCEPTANCE CRITERIA

| PARAMETER     | SPECIFICATION / LIMIT |
|---------------|-----------------------|
| Particle size | 60-80 (mesh)          |
