## Specification Sheet

|                          |                            |
|--------------------------|----------------------------|
| Product Name:            | <b>Sucrose monolaurate</b> |
| Specifications & Purity: | ≥97%                       |
| SKU #                    | <b>S124417</b>             |

| Parameter            | Limit Values          |
|----------------------|-----------------------|
| Purity(HPLC)         | 97-100 (%)            |
| Appearance (s124417) | White Solid           |
| Proton NMR spectrum  | Conforms to Structure |
