

## Specification Sheet

Product Name: **Semagacestat (LY450139)**  
Specifications & Purity: Moligand™, ≥98%  
SKU #: **S125519**

| Parameter                | Limit Values             |
|--------------------------|--------------------------|
| Purity(HPLC)             | 98-100 (%)               |
| Appearance (S125519)     | White to off-white solid |
| NMR spectrum             | Conforms to Structure    |
| LC-MS for identification | Conforms                 |
