## Specification Sheet

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Product Name:            | (F-,Cl-,NO3-,PO4-,SO42-)Multi-element mixed standard solution(mixed standard) |
| Specifications & Purity: | 1000µg/ml in H2O                                                              |
| SKU #                    | S140575                                                                       |

| Parameter           | Limit Values    |
|---------------------|-----------------|
| Concentration(each) | 990-1010 (mg/L) |
