## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>Superfine aluminum hydroxide</b> |
| Specifications & Purity: | ≥99.6%,D50:0.8-1.7μm                |
| SKU #                    | <b>S1492687</b>                     |

| Parameter                       | Limit Values          |
|---------------------------------|-----------------------|
| Appearance(S1492687)            | White Powder          |
| Purity                          | 99.6-100 (%)          |
| Particle size(D50)              | 0.8-1.7 (μm)          |
| ICP:Confirms Aluminum Component | Confirmed             |
| X-Ray Diffraction               | Conforms to Structure |
