## Specification Sheet

|                          |                                                        |
|--------------------------|--------------------------------------------------------|
| Product Name:            | <b>Sodium 4-Hydroxyazobenzene-4'-sulfonate Hydrate</b> |
| Specifications & Purity: | 98%                                                    |
| SKU #                    | <b>S161305</b>                                         |

| Parameter                                                | Limit Values                            |
|----------------------------------------------------------|-----------------------------------------|
| Appearance(S161305)                                      | Light yellow to Brown powder to crystal |
| Purity(Neutralization titration)(calcd.on anh.substance) | 97.5-102.5 (%)                          |
| Water by Karl Fischer                                    | 0-13 (%)                                |
| NMR Spectrum 1H                                          | Conforms to Structure                   |
