

## Specification Sheet

Product Name: **Sulfamonomethoxine**  
Specifications & Purity: **>93.0%(HPLC)**  
SKU #: **S161367**

| Parameter            | Limit Values           |
|----------------------|------------------------|
| Purity(HPLC)         | 93-100 (%)             |
| Melting point        | 201-206 (°C)           |
| Appearance (S161367) | White to Yellow Powder |
| Proton NMR spectrum  | Conforms to Structure  |
