

## Specification Sheet

|                          |                                           |
|--------------------------|-------------------------------------------|
| Product Name:            | <b>Sodium 4-(trifluoromethyl)benzoate</b> |
| Specifications & Purity: | 97%                                       |
| SKU #                    | <b>S192358</b>                            |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 97-100 (%)            |
| FNMR spectrum       | Conforms to Structure |
| Proton NMR spectrum | Conforms to structure |
