## Specification Sheet

|                          |                               |
|--------------------------|-------------------------------|
| Product Name:            | <b>Sonidegib (NVP-LDE225)</b> |
| Specifications & Purity: | 10mM in DMSO                  |
| SKU #                    | <b>S409208-1ml</b>            |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Concentration       | 9-11 (mmol/L)         |
| Proton NMR spectrum | Conforms to Structure |
