

## Specification Sheet

Product Name: (S)-(+)-7,8-Dihydrokavain  
Specifications & Purity: 10mM in DMSO  
SKU #: S424913-1ml

| Parameter                        | Limit Values          |
|----------------------------------|-----------------------|
| Proton NMR spectrum              | Conforms to Structure |
| Concentration(Compounding value) | 9.0-11.0(mmol/L)      |
