

## Specification Sheet

Product Name: **Sodium cacodylate trihydrate**  
Specifications & Purity: **≥98%**  
SKU #: **S464785**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Appearance(S464785)      | White Powder          |
| Purity(Titration by HCl) | 97.5-102.5 (%)        |
| Infrared spectrum        | conforms to structure |
| Loss on drying           | 20-28 (%)             |
| Arsenic(As)(Dry Basis)   | 45-48 (%)             |
