

## Specification Sheet

|                          |                                   |
|--------------------------|-----------------------------------|
| Product Name:            | <b>Sodium trimethylsilanolate</b> |
| Specifications & Purity: | ≥95%                              |
| SKU #                    | <b>S467157</b>                    |

| Parameter                | Limit Values                                         |
|--------------------------|------------------------------------------------------|
| Appearance(S467157)      | White to Yellow to Beige to Red Powder and/or Chunks |
| NMR Spectrum 1H          | Conforms to Structure                                |
| Purity(Titration by HCl) | 94.5-120 (%)                                         |
| Infrared spectrum        | Conforms to Structure                                |
