## Specification Sheet

|                          |                       |
|--------------------------|-----------------------|
| Product Name:            | <b>Sephadex® G-50</b> |
| Specifications & Purity: | Superfine             |
| SKU #                    | <b>S489303</b>        |

| Parameter                                           | Limit Values |
|-----------------------------------------------------|--------------|
| Loss on drying                                      | 0-10 (%)     |
| Particle Size Distribution(Within 20 to 50 microns) | ≥80 (%)      |
