## Specification Sheet

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Product Name:            | <b>Setmelanotide (RM-493) trifluoroacetate salt</b> |
| Specifications & Purity: | 10mM in DMSO                                        |
| SKU #                    | <b>S580524</b>                                      |

| Parameter                                | Limit Values |
|------------------------------------------|--------------|
| Appearance(Colorless Transparent Liquid) | Pass         |
| Concentration(Compounding value)         | 9-11(mmol/L) |
| Record the entire process by video       | Conform      |
