## Specification Sheet

|                          |                                                           |
|--------------------------|-----------------------------------------------------------|
| Product Name:            | (S)-2-((4-Chlorophenyl)(piperidin-4-yloxy)methyl)pyridine |
| Specifications & Purity: | ≥80%                                                      |
| SKU #                    | S587990                                                   |

| Parameter                                           | Limit Values          |
|-----------------------------------------------------|-----------------------|
| Purity(HPLC area)                                   | 80-100 (%)            |
| Specific Rotation [α] <sub>20</sub> /D(c=1 in MeOH) | -10.5~-7.5 (°)        |
| Infrared spectrum                                   | Conforms to Structure |
| LC-MS for identification                            | Conforms              |
| Water by Karl Fischer                               | 0-1 (%)               |
