

## Specification Sheet

|                          |                               |
|--------------------------|-------------------------------|
| Product Name:            | <b>Tetraethylenepentamine</b> |
| Specifications & Purity: | technical grade               |
| SKU #                    | <b>T103795</b>                |

| Parameter                | Limit Values                            |
|--------------------------|---|
| Purity(GC)               | 30-100 (%)                              |
| Appearance (T103795)     | Colorless to Pale Yellow Viscous Liquid |
| Infrared spectrum        | Conforms to Structure                   |
| GC-MS for identification | Conforms                                |
