Specification Sheet

Product Name: **Thymolphthalein**
Specifications & Purity: Analytical Reagent
SKU #: **T104283**

Parameter	Limit Values
Loss on drying	0-1 (%)
Melting point	248-254 (°C)
Appearance (T104283)	White powder
Clarity of solution	pass
Infrared spectrum	Conforms to Structure
PH Transition interval,(colorless)8.6 to 10.5(blue)	Conforms
Solubility in EtOH(95vol%)	almost transparency
