

ALADDIN SCIENTIFIC CORPORATION

14078 Meridian Parkway, Riverside, CA. 92518

## Specification Sheet

Product Name: **1 , 2 , 3-Trichlorobenzene**  
Specifications & Purity: **≥99%**  
SKU # **T104654**

| Parameter             | Limit Values             |
|-----------------------|--------------------------|
| Purity(GC)            | 99-100 (%)               |
| Melting point         | 52-56 (°C)               |
| Appearance (T104654)  | White Powder or Crystals |
| Infrared spectrum     | Conforms to Structure    |
| Solubility in Toluene | almost transparency      |
