## Specification Sheet

Product Name: **Tiron**  
Specifications & Purity: **>98.0%(T)**  
SKU #: **T104955**

| Parameter                                                           | Limit Values                            |
|---------------------------------------------------------------------|-----------------------------------------|
| Purity(NonaqueousTitration)                                         | 94.5-105.5 (%)                          |
| Appearance (T104955)                                                | White to Almost white powder to crystal |
| Infrared spectrum                                                   | Conforms to Structure                   |
| Sensitivity to titanium                                             | pass                                    |
| Solubility in hot H <sub>2</sub> O , Colorless to Purple Clear = 5% | pass                                    |
