

## Specification Sheet

|                          |                                |
|--------------------------|--------------------------------|
| Product Name:            | <b>Trimethyl orthovalerate</b> |
| Specifications & Purity: | 97%                            |
| SKU #                    | <b>T107300</b>                 |

| Parameter                          | Limit Values          |
|------------------------------------|-----------------------|
| Density (20°C)                     | 0.924-0.926           |
| Refractive index n <sub>20/D</sub> | 1.408-1.411           |
| Purity(GC)                         | 97-100 (%)            |
| Appearance (T107300)               | Colorless Liquid      |
| Infrared spectrum                  | Conforms to Structure |
