## Specification Sheet

Product Name: **Trimesic acid**  
Specifications & Purity: **98%**  
SKU #: **T109692**

Parameter	Limit Values
Purity(Neutralization titration)	97.5-102.5 (%)
Carbon by Elemental Analysis	49.8-51.8 (%)
Oxygen by Elemental Analysis	44.2-46.1 (%)
Appearance (T109692)	White to pale cream to Light yellow powder to crystal
Proton NMR spectrum	Conforms to Structure
Solubility in EtOH , Colorless, Clear, c = 2.5%	pass
