## Specification Sheet

|                          |                                                   |
|--------------------------|---------------------------------------------------|
| Product Name:            | Triisobutylene (mixture of branched chain isomer) |
| Specifications & Purity: | ≥90%                                              |
| SKU #                    | T109964                                           |

| Parameter                           | Limit Values                               |
|-------------------------------------|--------------------------------------------|
| Purity( (sum of isomers)(GC)        | 90-100 (%)                                 |
| Refractive index n <sub>20</sub> /D | 1.428-1.432                                |
| Appearance (T109964)                | Colorless to Almost colorless clear liquid |
| Proton NMR spectrum                 | Conforms to structure                      |
