## Specification Sheet

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| Product Name:            | <b>2,4,6-Trichlorobenzeneboronic acid(contains varying amounts of Anhydride)</b> |
| Specifications & Purity: | <b>≥98%</b>                                                                      |
| SKU #                    | <b>T120092</b>                                                                   |

| Parameter                | Limit Values                                     |
|--------------------------|--------------------------------------------------|
| Appearance (T120092)     | White to Almost white solid to powder to crystal |
| Proton NMR spectrum      | Conforms to Structure                            |
| LC-MS for identification | Conforms                                         |
| Purity(HPLC area)        | 98-100 (%)                                       |
