

## Specification Sheet

|                          |                                    |
|--------------------------|------------------------------------|
| Product Name:            | <b>N-(p-Tolyl)-2-naphthylamine</b> |
| Specifications & Purity: | ≥98%                               |
| SKU #                    | <b>T121474</b>                     |

| Parameter            | Limit Values                                       |
|----------------------|----------------------------------------------------|
| Melting point        | 99-103 (°C)                                        |
| Purity(GC)           | 98-100 (%)                                         |
| Appearance (t121474) | white to pale yellow Powder, Crystals and/or Chunk |
| Infrared spectrum    | Conforms to Structure                              |
| Solubility in MeOH   | almost transparency                                |
| NMR Spectrum 1H      | Conforms to structure                              |
