## Specification Sheet

|                          |                                        |
|--------------------------|----------------------------------------|
| Product Name:            | <b>3-(Trifluoromethoxy)benzylamine</b> |
| Specifications & Purity: | 96%                                    |
| SKU #                    | <b>T122773</b>                         |

| Parameter                           | Limit Values                     |
|-------------------------------------|----------------------------------|
| Purity(GC)                          | 96-100 (%)                       |
| Refractive index n <sub>20</sub> /D | 1.4495-1.4555                    |
| Appearance (T122773)                | Colorless to light yellow liquid |
| Proton NMR spectrum                 | Conforms to Structure            |
