## Specification Sheet

|                          |                |
|--------------------------|----------------|
| Product Name:            | <b>TGX-221</b> |
| Specifications & Purity: | ≥99%           |
| SKU #                    | <b>T127773</b> |

| Parameter            | Limit Values                       |
|----------------------|------------------------------------|
| Purity(HPLC)         | 99-100 (%)                         |
| Appearance (T127773) | White to off-white to yellow solid |
| NMR spectrum         | Conforms to Structure              |
