

## Specification Sheet

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Product Name:            | <b>3-(Trimethylsilyl)phenylboronic Acid (contains varying amounts of Anhydride)</b> |
| Specifications & Purity: | ≥95.0%                                                                              |
| SKU #                    | <b>T133046</b>                                                                      |

| Parameter            | Limit Values                                  |
|----------------------|-----------------------------------------------|
| Appearance (T133046) | White to Off-White Solid, Powder, or Crystals |
| Proton NMR spectrum  | Conforms to Structure                         |
| Purity(HPLC area)    | 95-100 (%)                                    |
