

## Specification Sheet

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Product Name:            | <b>trans-2-Phenylcyclopropane-1-carboxylic acid</b> |
| Specifications & Purity: | 98%                                                 |
| SKU #                    | <b>T139465</b>                                      |

| Parameter            | Limit Values                                            |
|----------------------|---------------------------------------------------------|
| Purity(GC)           | 98-100 (%)                                              |
| Appearance (T139465) | White to Light yellow to Light orange powder to crystal |
| Melting point        | 85-91 (°C)                                              |
| Proton NMR spectrum  | Conforms to structure                                   |
