Specification Sheet

| | |
|--------------------------|---------------------------------|
| Product Name: | Triacetoxy(methyl)silane |
| Specifications & Purity: | ≥55%(GC) |
| SKU # | T140809 |

| Parameter | Limit Values |
|----------------------|--|
| Purity(GC) | 55-100 (%) |
| Appearance (T140809) | Colorless or White to Yellow Solid or Liquid |
| Infrared spectrum | Conforms to Structure |
