## Specification Sheet

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Product Name:            | <b>Trifluoromethyltrifluoromethanesulfonate</b> |
| Specifications & Purity: | <b>≥98%</b>                                     |
| SKU #                    | <b>T1456483</b>                                 |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Proton NMR spectrum | Conforms to Structure |
| FNMR spectrum       | Conforms to Structure |
| Purity(FNMR)        | 98-100 (%)            |
