

## Specification Sheet

|                          |                          |
|--------------------------|--------------------------|
| Product Name:            | <b>Tetratetracontane</b> |
| Specifications & Purity: | >97.0%                   |
| SKU #                    | <b>T161707</b>           |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Melting point       | 85-89 (°C)            |
| Proton NMR spectrum | Conforms to Structure |
| Purity(As C)        | 97-100 (%)            |
