

## Specification Sheet

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Product Name:            | Tricyclo[6.4.0.0 <sup>2</sup> ,7]dodecane-1,8:2,7-tetracarboxylic Dianhydride |
| Specifications & Purity: | >98.0%                                                                        |
| SKU #                    | T161900                                                                       |

| Parameter            | Limit Values                            |
|----------------------|-----------------------------------------|
| Appearance (T161900) | White to Almost white powder to crystal |
| Purity(HPLC)         | 98-100 (%)                              |
| Melting point        | 275-283 (°C)                            |
| Proton NMR spectrum  | Conforms to structure                   |
