

## Specification Sheet

|                          |                     |
|--------------------------|---------------------|
| Product Name:            | <b>Terebic Acid</b> |
| Specifications & Purity: | ≥98%                |
| SKU #                    | <b>T162042</b>      |

| Parameter                        | Limit Values                            |
|----------------------------------|-----------------------------------------|
| NMR Spectrum 1H                  | Conforms to Structure                   |
| Appearance(T162042)              | White to Almost white powder to crystal |
| Melting point                    | 173-178 (°C)                            |
| Purity(HPLC area)                | 98-100 (%)                              |
| Purity(Neutralization titration) | 97.5-102.5 (%)                          |
