

Specification Sheet

Product Name: **Tetrahexylammonium Iodide**
Specifications & Purity: >98.0%(T)
SKU #: **T162058**

| Parameter | Limit Values |
|---------------------------------|-----------------------|
| Purity (Argentmetric Titration) | 97.5-102.5 (%) |
| Melting point | 102-106 (°C) |
| Proton NMR spectrum | Conforms to Structure |
