## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | <b>Triisopropylsilyl Chloride( TIPSCI)</b> |
| Specifications & Purity: | ≥95%(GC)                                   |
| SKU #                    | <b>T162257</b>                             |

| Parameter                           | Limit Values                     |
|-------------------------------------|----------------------------------|
| Purity(GC)                          | 95-100 (%)                       |
| Refractive index n <sub>20</sub> /D | 1.452-1.454                      |
| Appearance (T162257)                | Colorless to light yellow liquid |
| Proton NMR spectrum                 | Conforms to Structure            |
