

## Specification Sheet

|                          |                                           |
|--------------------------|-------------------------------------------|
| Product Name:            | <b>Tetrabutylammonium Dichlorobromide</b> |
| Specifications & Purity: | ≥97%                                      |
| SKU #                    | <b>T162433</b>                            |

| Parameter                    | Limit Values                                      |
|------------------------------|---------------------------------------------------|
| LC-MS for identification     | Conforms                                          |
| Proton NMR spectrum          | Conforms to Structure                             |
| Purity(Iodometric Titration) | 97-102.5 (%)                                      |
| Appearance(T162433)          | Light yellow to Yellow to Green powder to crystal |
