## Specification Sheet

|                          |                                 |
|--------------------------|---------------------------------|
| Product Name:            | <b>trans,cis-2,6-Nonadienal</b> |
| Specifications & Purity: | ≥95%(GC)                        |
| SKU #                    | <b>T162628</b>                  |

| Parameter                           | Limit Values                     |
|-------------------------------------|----------------------------------|
| Purity(GC)                          | 95-100 (%)                       |
| Refractive index n <sub>20</sub> /D | 1.472-1.476                      |
| Density (20°C)                      | 0.87-0.874                       |
| Appearance (T162628)                | Colorless to light yellow liquid |
| Proton NMR spectrum                 | Conforms to Structure            |
