## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>tert-Butylamine Hydrobromide</b> |
| Specifications & Purity: | ≥98%(N)(T)                          |
| SKU #                    | <b>T162742</b>                      |

| Parameter                      | Limit Values                            |
|--------------------------------|-----------------------------------------|
| Appearance (T162742)           | White to Almost white powder to crystal |
| Purity(Argentmetric Titration) | 98-102.5(%)                             |
| Proton NMR spectrum            | Conforms to structure                   |
