## Specification Sheet

|                          |                                               |
|--------------------------|-----------------------------------------------|
| Product Name:            | <b>Thiol PEG Amine, HS-PEG-NH<sub>2</sub></b> |
| Specifications & Purity: | MW 5000 Da                                    |
| SKU #                    | <b>T164369</b>                                |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Average Molecular Weight | 4000-6000             |
| Proton NMR spectrum      | Conforms to Structure |
