

## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | <b>Tetrahydro-2H-pyran-4-yl p-tosylate</b> |
| Specifications & Purity: | 98%                                        |
| SKU #                    | <b>T188922</b>                             |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Proton NMR spectrum | Conforms to structure |
| Purity(HPLC)        | 98-100 (%)            |
