Specification Sheet

| | |
|--------------------------|-------------------------------------|
| Product Name: | Titanium(IV) 2-ethylhexyloxi |
| Specifications & Purity: | 98% |
| SKU # | T189573 |

| Parameter | Limit Values |
|------------------------------|----------------------------|
| Ti(Complexometric titration) | 8-9 (%) |
| Purity | 98-100 (%) |
| Appearance (T189573) | Colorless to Yellow Liquid |
| Proton NMR spectrum | Conforms to Structure |
