## Specification Sheet

|                          |                |
|--------------------------|----------------|
| Product Name:            | <b>TCPOBOP</b> |
| Specifications & Purity: | ≥99%           |
| SKU #                    | <b>T275062</b> |

| <b>Parameter</b>    | <b>Limit Values</b>                |
|---------------------|------------------------------------|
| Appearance(T275062) | white to off-white to brown powder |
| Purity(HPLC)        | 99-100 (%)                         |
| Proton NMR spectrum | Conforms to structure              |
| Mass spectrum       | Conforms to standard               |
