## Specification Sheet

|                          |                   |
|--------------------------|-------------------|
| Product Name:            | <b>TPE buffer</b> |
| Specifications & Purity: | 10×               |
| SKU #                    | <b>T301544</b>    |

| Parameter            | Limit Values                  |
|----------------------|-------------------------------|
| Concentration        | 0.08-0.1 (mol/L)              |
| Appearance (T301544) | Colorless, transparent liquid |
