## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>Tri(2-furyl)phosphine</b> |
| Specifications & Purity: | 98%                          |
| SKU #                    | <b>T301762</b>               |

| Parameter            | Limit Values                           |
|----------------------|----------------------------------------|
| Melting point        | 61-64 (°C)                             |
| Purity(GC)           | 98-100 (%)                             |
| Appearance (T301762) | white to light grey powder or crystals |
| Proton NMR spectrum  | Conforms to Structure                  |
