

## Specification Sheet

|                          |                         |
|--------------------------|-------------------------|
| Product Name:            | <b>Tazarotenic acid</b> |
| Specifications & Purity: | ≥98% (HPLC)             |
| SKU #                    | <b>T302268</b>          |

| Parameter            | Limit Values                |
|----------------------|-----------------------------|
| Appearance (T302268) | white to light brown powder |
| Purity(HPLC)         | 98-100 (%)                  |
| Proton NMR spectrum  | Conforms to structure       |
