

## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>2,6,8-Trimethyl-4-nonanol</b> |
| Specifications & Purity: | erythro, 90+%                    |
| SKU #                    | <b>T302665</b>                   |

| Parameter                 | Limit Values                                    |
|---------------------------|-------------------------------------------------|
| Appearance (T302665)      | Colorless to Almost colorless powder to crystal |
| GC-MS for identification  | Conforms                                        |
| Purity(GC)(threo+erythro) | 90-100 (%)                                      |
| Proton NMR spectrum       | Conforms to structure                           |
