## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>4-(Trimethylsilyl)Butan-1-ol</b> |
| Specifications & Purity: | 95%                                 |
| SKU #                    | <b>T303337</b>                      |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 95-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
