## Specification Sheet

|                          |                       |
|--------------------------|-----------------------|
| Product Name:            | <b>Trandolaprilat</b> |
| Specifications & Purity: | Moligand™, ≥98%       |
| SKU #                    | <b>T332797</b>        |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 98-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
